### SEFTON LIVE CHICK BOX

Made from best grade of corrugated paper. For shipment it is folded flat, but can be easily set up and made ready for use.

The use of this box has made it possible to make long distance shipments of live chicks with safety. The demand for this package is growing rapidly.

### ANDERSON EGG BOX

For Fancy Eggs for Hatching

The Anderson Egg Box is made of corrugated paper and has double faced corrugated paper partitions like the Eyrie,

to protect each individual egg. The ability of the Anderson Egg Box to fold flat enables us to ship them in a knocked down condition, third class freight. They take but little room in storage and are very easy to set up. By sealing the box with gummed strips which we furnish, pilfering or substitution of common eggs for fancy eggs while in transit is eliminated.

#### PRICES
